## *Instructions for Clients*

We will continue to provide client services as long as we are able. In order to minimize contact, we will provide curbside services whenever possible. In the rare instance that it is impossible to arrive at WRHM by car, please see the walk-up directions below. If you have questions, please call ahead at 314-961-5082.

**CURBSIDE SERVICES.** If you have arrived at WRHM by vehicle, remain in your vehicle and call the main WRHM phone at 314-961-5082 on your cell phone. Our receptionist will take your name and your cell phone number. A client services volunteer will call you on your cell phone and will take your order over the phone from your vehicle. We will fill your order and place it outside on the table near the Ministries' front door. If it is raining, we will bring your order to your car and place it in your vehicle's trunk. Please be patient as we work to serve clients.

**WALK-UP SERVICES.** If have arrived at WRHM by foot, please come to the Ministries' front door and ring the doorbell. You will be invited in to wait in the waiting room if you agree to: (a) wear a mask that we will give to you; (b) sanitize your hands with hand sanitizer provided to you; and (c) wear plastic gloves that will be provided to you. A volunteer will come to the waiting room and provide information to you about the safest place for meeting to serve your needs. Do not enter the volunteer cubicle area unless you are directed to do so.
